PROFILE

ABOUT US

Sumpower General Maintenance & Cleaning Services LLC. is a private company incorporated with limited liability company license CN-256588 on May, 2018 in Abu Dhabi. Our Head office is located in Abu Dhabi. The company holds a very good reputation in the U.A.E, business field for its excellent performance and highly qualified technical team. We have provided excellence all over the United Arab Emirates, in the fields of Electro-Mechanical Contracting, Mechanical activity and Environmental Protection and with that belief. We are proud to say that today the company stands out as one of the pioneers in our scope of activities to attain the above certifications

We believe in
**"Providing Quality Services
at the best practices"**

ISO 9001:2015
ISO 14001:2015
ISO 45001:2018

VISION, MISSION AND VALUE

- To provide customers with the best professional service at all times.
- To use the space age materials with modern technology, thus keeping the environment clean at all times.
- To create and maintain a safe and healthy work environment for all customers, employees and the community we serve.
- To motivate elimination of all sources of occupational hazards and provide the highest level of quality and service at a very competitive price.
- Our values are deeply rooted within the company and reflect our internally discipline character.
- Our Vision is to become the total power solution provider of choice for all our customers, whether it may be temporary or long term, regionally and globally.

OUR POLICY

Our philosophy is to focus on prevention and every individual team is committed to "doing the right things right from the first time, every time". Pro-active involvement and action is expected from all employees and sub-contractors for we believe that Quality, Health, Safety and Environment (QHSE) protection is the responsibility of everybody.

The company is committed to prioritizing the health and Safety of every person involved in our operations as well as the protection of the environment where those operations take place. Through continual improvement we will keep meeting and exceeding the expectations of our customers, employees, contractors and third parties.
